Redefining The High School Learning Experience

Everest Academy

# About Our School

- **Everest FLEX** is a Blended Learning High School that serves students in grades 9-12 who seek rigorous college preparatory education in a wholesome Islamic environment.
- Our vision is to guide and graduate students whose individual pursuits empower them to change the world.

# Why Choose Everest *FLEX*?

**Everest *FLEX***, in collaboration with Texas Connections Academy of Houston (TACH), is a digital, blended learning high school program.

**Blended Learning** is using both online and in-person learning experiences.

**Everest *FLEX*** students have access to facilities such as Quran lab, Science laboratory, technology labs, as well as individual and group study spaces for optimal learning.

**Everest *FLEX*** serves students whose non-academic interests and activities require considerable amounts of time. The external/ non-academic pursuits may be in the field of Quran study, arts, sports and entrepreneurship.

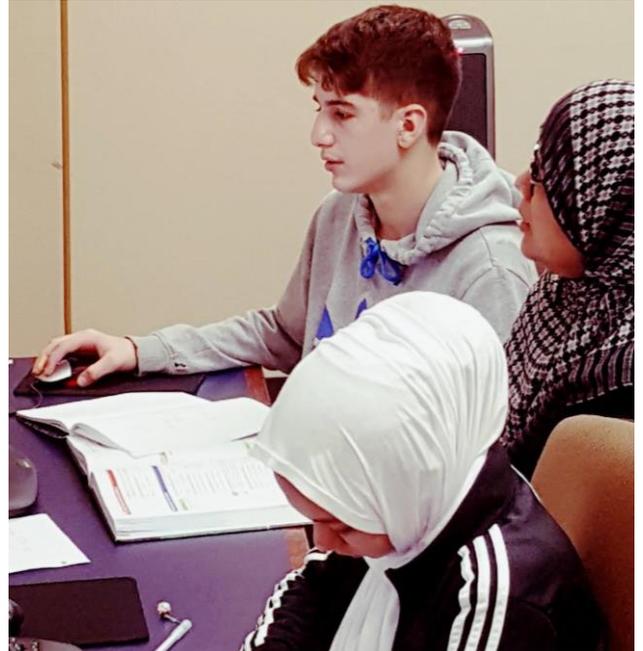

**Everest *FLEX*** students have access to a plethora of courses from TCAH as well as PE, Arabic, Quran and Islamic Studies from Everest teachers.

**Everest *FLEX*** allows students to meet all requirements for high school graduation mandated by the Texas Education Agency.

# Everest *FLEX* Students

---

- An **Everest *FLEX*** student is responsible, self-motivated, engaged, and exhibits the highest level of integrity.
- Students are encouraged to reflect on the world around them, refocus their priorities, and refine what they are willing to try differently.
- **Everest *FLEX*** students meet with teachers to review their learning progress, discuss their work, ask questions or receive assistance with difficult concepts.
- Students attend a combination of recorded and live classes and work under the guidance of a Learning Coach on their lessons, projects, and assignments at school and at home.

# Core Classes at Everest *FLEX*

---

Through TCAH, an **Accredited Houston ISD public school** our students can meet all the Texas educational and high school graduation requirements.

Students may choose from a [broad selection of honors courses](#) that not only fulfill basic graduation requirements, but also offer a rigorous curriculum.

College-bound students who wish to strengthen their college applications should consider our honors and Advanced Placement courses. Those who take AP courses, may be able to earn credit or secure advanced course placement in college.

Honors students work together to discuss advanced topics, collaborate in group projects, and sharpen their critical-thinking skills while preparing for academic success beyond graduation.

- Honors English I,II, AP ENG III, IV
- Honors/AP Biology Chemistry, Physics, etc.
- Honors ALG I,II, Pre-Calc, AP Calculus AB & BC , AP Statistics, etc.
- Honors SS courses: AP Human Geography, AP US History, AP US Govt. etc.
- Quran memorization, Arabic, Islamic Studies

# Electives at Everest *FLEX*

---

In a fast-changing world, students who graduate with real-world skills are best positioned to succeed no matter which direction they head. **Career and Technical Education (CTE)** courses give students the opportunity to build their skillsets while they expand their minds.

Through courses in finance, marketing, psychology, criminal justice, and more, students can explore their interests and prepare for future careers.

Students may also take advantage of dual-credit opportunities with five community colleges across the state of Texas.

[Click Here to See A Full List of Courses Available](#)

- Spanish, French, ASL, German, Chinese, Latin I,II, III, IV and AP levels.
- Accounting, Finance and Human Resource Management, AP Macro Economics, AP Computer Science
- Medical Terminology and Anatomy & Physiology
- Art I, II, III, Health and PE

# Extracurricular Clubs at Everest *FLEX*

---

Through our clubs, students build on the skills they're learning in class while making new friends and gaining social confidence. Our clubs offer opportunities to compete in contests at local, state and national levels.

**Everest *FLEX*** offers on-site and off-campus service opportunities to students through our partnership with Helping Hands, the *Adopt a Spot* program and the Houston Food Bank. Students may also volunteer and earn service hours through Everest Safety Patrol and in early elementary classrooms as Teacher Aides.

- National Honor Society
- Student Council
- Chess, Art, Gaming & Technology Club
- Off-Campus Volunteer Opportunities
- Houston Food Bank, Adopt A Spot, and Helping Hands
- Jumu'ah Khutbah Speech

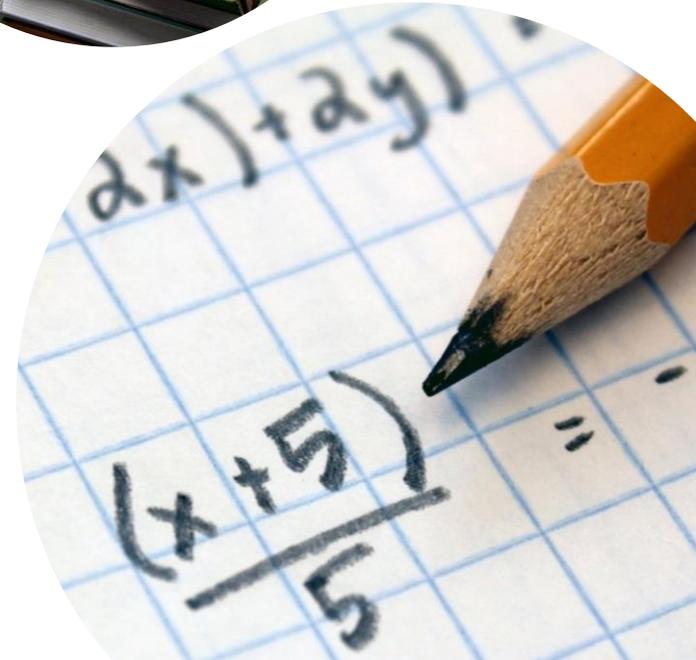

# Our On-Site Learning Instructors

## 9–12 Math and Science Specialist

Everest FLEX provides students with a highly qualified on-site Math and Science instructor. Our learning coach assists students one-on-one in all levels of mathematics and science at the high school level. *FLEX* students also receive individualized SAT/ACT prep. Having trouble with a difficult geometry problem or not sure where to begin with your chemistry lab experiment? Our math and science learning coach is here to help.

## 9–12 ELA and Social Studies Specialist

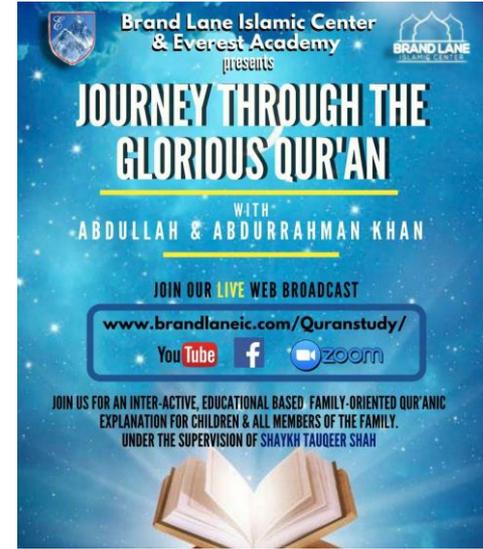

In addition, Everest FLEX also provides a highly experienced on-site ELA and Social Studies specialist to assist students in all areas and levels of English & Language Arts and Social Studies high school courses. Students get personalized assistance with essay writing, reading strategies as well as, the guidance needed to be successful in high school and beyond.

# Frequently Asked Questions

---

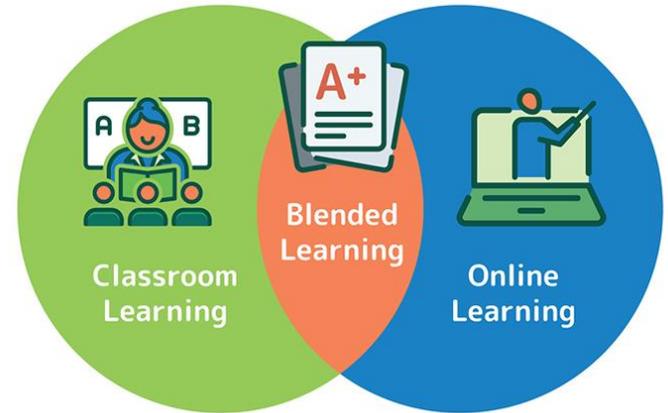

**Q: What is the difference between an online course and a blended learning course?**

An online course may be taught solely online with an online teacher.

At **Everest FLEX**, students receive additional support from high school certified content teachers (Math/Science/English Language/Social Studies).

Blended learning courses are offered and taught by teachers at **Everest FLEX**.

Course material is presented online and face to face — this is why students at **Everest FLEX** succeed in their high school courses.

# Frequently Asked Questions

---

***Q: What extracurricular activities offered at Everest FLEX?***

There are numerous clubs/organizations available to our students at **Everest FLEX**, including Student Council, National Honor Society, Yearbook and much more.

Students may also participate in and receive service hours through on-site service programs in early childhood classrooms, Everest Safety Patrol and through field trips to the Houston Food Bank, Keep Sugar Land Beautiful “Adopt a Spot” and Helping Hands etc.

# Frequently Asked Questions

***Q: How can my student attend Everest FLEX?***

**Everest FLEX** students must enroll in **Texas Connections Academy of Houston**, as well as at **Everest Academy**.

Seating is limited and on a first come, first served basis. For more information about registration, please contact [FlexHS@everest-academy.com](mailto:FlexHS@everest-academy.com)
